

## U.S. GREEN BUILDING COUNCIL

# Exploring The Role of Cities and Buildings in the Green Economy

A Chicago event on the Road to Rio +20

Hear from local business leaders and government officials, discuss regional examples of success and challenges, and be part of the global dialogue on how green building policies, programs, and technologies are fueling a sustainable future and green economy.

Date: January 24, 2012

Time: 3:00-5:00 pm

Place: The Hyatt Center, Main Café Dining Room

71 South Wacker Drive (please enter on the Franklin side)

[RSVP for the Forum](#) or email [rsvpevents@usgbc.org](mailto:rsvpevents@usgbc.org)

Please note, you will need to present a government issued photo ID upon entering the building. We are proud to host this event at the Hyatt Center, one of the largest buildings in the world to obtain LEED-EB Platinum Certification.

Forum brought to you by the [U.S. Green Building Council](#), the [World Business Council on Sustainable Development](#), and the [United Nations Environment Programme](#), in partnership with the [USGBC-Illinois Chapter](#).

*[The Road to Rio +20](#) is a series of events happening around North America and in other locations around the world to explore the role of buildings and urban environments in the green economy in the lead up to the Rio +20 Conference in Rio de Janeiro, Brazil. For citizens, businesses, and governments, the 2012 [Rio +20 Conference](#) represents an opportunity to assess 20 years of progress on the environment and to generate renewed will and concrete actions towards a sustainable future.*
